WATCH THE GROOMER!

The Groomer may operate any day, 24 hours per day, and may be travelling either direction.

- * Trails as drawn on the map may be relocated due to conditions.
- * Follow the trail markings at all time.

Most trails are TWO WAY TRAILS
Stay to the right of the trail at all times. There will be snowmobiles coming towards you.

If you drink and drive, regardless of whether it's a snowmobile or car, you will lose the right to drive both types of vehicles.

KEEP OUR TRAILS CLEAN & SAFE

Please remember the trails are only as safe as the people riding them. We make no representation as to their safety or maintenance and invite the user to inquire of others in the area as to the condition of the trails PRIOR TO USAGE.

WARNING: These trails do cross some rivers, lakes and creeks. All drivers should receive direct information on the condition of ice PRIOR TO USE.

In Case of Emergency: Call 911 for access to Rescue Sleigh via EMS
